Larchmont Charter School friends,

Thank you for your correspondence earlier this week. Councilmember O'Farrell asked to follow up with you. Please see the attached documents regarding the proposed temporary bridge housing facility at 1533 Schrader Boulevard, one of several similar proposals across the City:

- draft rendering
- draft floor plan
- FAQs in English
- FAQs in Spanish

I've also included a **link to a Google Form (see below)** where you can view the above documents, plus ask more questions about what was *not* already provided.

We are in discussions with LCS to set up an in-person discussion on this topic in the next few weeks. More info to come soon. In the meantime, we want to stay engaged with you and your community, so please don't hesitate to contact me.

Best Regards,

**Dan Halden**

## Proposed Temporary Bridge Housing Facility at 1533 Schrader Boulevard

Homelessness is at crisis levels, increasing by 23% in the last year alone. The City of Los Angeles has been working very hard to identify locations to establish temporary crisis and bridge housing options via Mayor Garcetti's "A Bridge Home" initiative. This is a unique opportunity to utilize this program, coupled with funding from voter-approved Measure H, to bring a temporary bridge housing facility to an area in need.

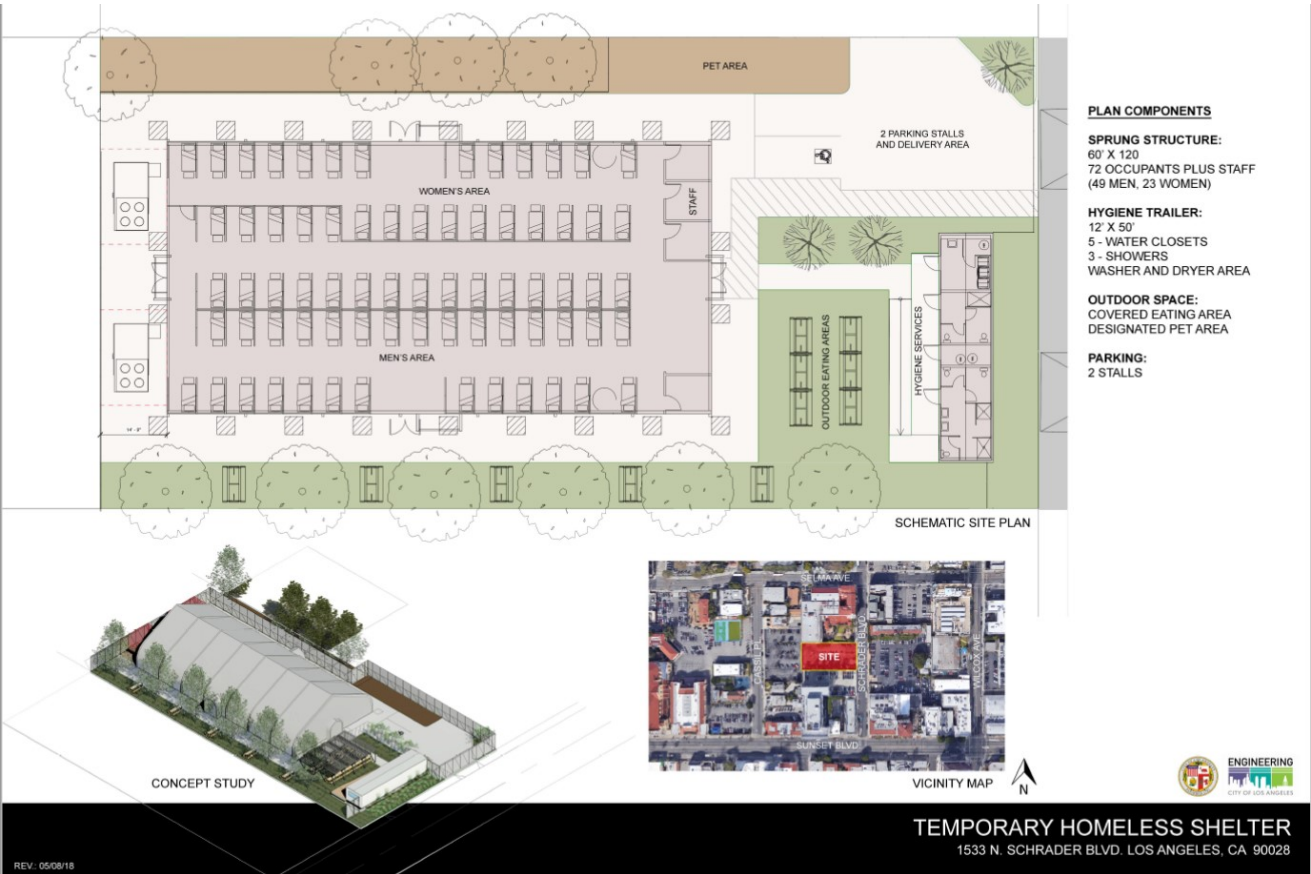

A community open house was held on May 8, 2018 to provide initial details about the proposal, but we are seeking additional feedback. Please complete and submit the below questionnaire. If you have additional questions, you may also contact Dan Halden at Councilmember Mitch O'Farrell's office: [daniel.halden@lacity.org](mailto:daniel.halden@lacity.org) or (213) 207-3015.
